

WISCONSIN ASBESTOS CONFERENCE

The Wisconsin Asbestos Seminar began twenty-three years ago as a joint effort between state regulators and private industry to share and disseminate relevant information with those involved in managing or handling Asbestos. Your sponsorship, contributions and support keeps this going.

VENDOR REGISTRATION INFORMATION

TYPE OF BOOTH / DISPLAY

To provide our attendees with the best seminar experience, we strongly recommend a manned table top/booth with a representative available for questions by conference participants throughout the seminar

All booths include admission to the convention and lunch for 1 person, 2 chairs and a skirted table

*Electrical outlets are available for \$25.00
cannot be guaranteed for registration received after Monday November 21st, 2016*

REGISTRATION FEE

Additional booth representatives must register as a full attendee.

\$150.00 when registering on or prior to November 21st, 2016

Includes your company name or logo on the seminar video recognition board(s) throughout the event

\$250.00 for registrations received after Monday November 21st, 2016

(no guarantee of booth location or choice)

Includes your company name or logo on the seminar video recognition board(s) throughout the event

Please plan to set up the evening prior - full access will be provided through the back of the convention hall entrances
